

Shared Resources

PPMG's Shared Resources Division was born out of client demand for resource needs, which complement PPMG's consulting services. We have answered the demand with our Shared Resources Division, which specializes in providing multi-disciplined professionals for turnarounds, outages, capital expansions, and maintenance projects. Our resources include:

- Construction + Project Managers
- Project Controls Managers + Specialists
- Professional Engineers + Drafters (all disciplines)
- Project Procurement Leads + Specialists
- Contracts Managers + Administrators
- Material Coordinators + Expeditors
- Freight Coordinators
- QA/ QC Managers + Technicians
- Document Controllers
- Constructability Managers + Estimators
- Site Managers + Field Engineers
- Turnaround Coordinators (all disciplines)
- Safety Managers + Technicians
